*Bellezza  
a portata di mano*

La **Fimet** maniglie nasce nel 1986 per servire principalmente il mercato tedesco. Grazie all'impegno della famiglia Bianchi, si è costantemente sviluppata fino ad arrivare, ad oggi, a servire oltre 20 mercati.

La prototipazione e lo studio di nuovi modelli di maniglie adatte a soddisfare le esigenze dei clienti presenti nei diversi mercati serviti è testimoniata dalla vasta gamma di coordinati, che sono prodotti nel rispetto ambientale e con materiali di prima qualità. L'impegno volto alla ricerca di soluzioni tecniche mirate a rispondere ai requisiti dei nostri clienti sono garanzia di fornitura di prodotti di qualità superiore. Flessibilità e professionalità sono due vocaboli che da oltre 25 anni fanno parte del nostro quotidiano. Vittore e i suoi figli si impegnano infatti ad offrire ai clienti soluzioni mirate per qualsiasi problema tecnico e cercano di facilitare il marketing dei prodotti attraverso lo studio di promozioni personalizzate, imballaggi ed espositori che ben si adattano ad ogni tipo di esigenza.

Il carattere familiare dell'azienda è infatti il suo punto di forza "Non ci limitiamo a produrre maniglie, ne curiamo ogni aspetto, dalla ideazione fino alla finitura, siamo orgogliosi di rappresentare il Made in Italy."

Di recente abbiamo ottenuto la certificazione classe 3 e classe 4 presso l'istituto IFT di Rosenheim e quella antifuoco presso l'IBS per aiutare i ns. clienti a commercializzare una gamma completa sotto tutti i punti di vista.

*The company **Fimet** maniglie was founded in 1986 to serve primarily the German market. Thanks to the efforts of the Bianchi family, it has constantly developed and nowadays it serves more than 20 markets.*

*Prototyping and study of new models of handles adapted to meet the needs of customers in the various markets served is evidenced by the wide range of coordinated, which are produced in compliance with environmental rules and with quality materials. The commitment to find technical solutions to meet the requirements of our customers are a guarantee of the supply of high quality products. Flexibility and professionalism are the two words that for over 25 years are part of our daily lives. Vittore and his sons efforts are focused to provide customers with tailored solutions for any technical problems and seek to facilitate the marketing of the products through the study of personalized promotions, packing and exhibitors stand that can be adapted to every need.*

*The family character of the company is its strength "We do not just produce handles, we take care of every aspect from conception to finish, we are proud to represent the Made in Italy."*

*We recently obtained certification class 3 and class 4 at the institute IFT Rosenheim and the fireproof at the IBS to help our customers to market a full range under all points of view.*

CREATI PER VOI

# CUSTOM MADE

La ditta **Fimet** si è sempre distinta per la costante ricerca di idee e soluzioni che possano soddisfare ogni tipo di richiesta, ed è grazie a questo impegno che quest'anno siamo orgogliosi di presentare la ns. nuova sezione dedicata al CUSTOM MADE, il "**fatto su misura**". Solitamente ci proponiamo di creare soluzioni innovative adatte alle esigenze dei nostri singoli clienti per poi impostare una produzione in serie. L'obiettivo di questa nuova sezione è di offrire una soluzione alternativa mediante la creazione di maniglie uniche, studiate e pensate appositamente per i singoli mediante l'utilizzo di macchine a controllo numerico e lavorazione per le quali non è necessario sostenere i costi onerosi di uno stampo. Ci piace l'idea di essere in grado di fornire ai nostri clienti maniglie esclusive senza eguali che possano soddisfare appieno le loro esigenze estetiche e tecniche.

*The company **Fimet** has always stood for the constant search for ideas and solutions that can satisfy any kind of request, and it is through this commitment that this year we are proud to present our. new section dedicated to "**CUSTOM MADE**". Usually we aim to create innovative solutions tailored to the needs of our individual customers and then set up a series production. The objective of this new section is to provide an alternative solution by creating unique handles, studied and designed specifically for the individual through the use of numerical control machines and manufacturing for which it is not necessary to support the high costs of a mould. We like the 'idea of being able to provide our customers with unmatched exclusive handles that can fully satisfy their aesthetic and technical requirements.*

## MANIGLIE SENZA TEMPO

Le ns. MANIGLIE CLASSICHE che a noi piace chiamare "**timeless**"  
rispecchiano gli stili architettonici del passato, con un tocco  
di modernità dato dai materiali utilizzati e dalle finiture moderne  
che si adattano ad ogni stile abitativo. Le nostre eleganti porcellane  
sono di alta qualità, resistenti ai graffi, la loro lucentezza dura nel tempo  
e sono costruite nel rispetto della natura.

*Our CLASSIC HANDLES that we like to call "**timeless**"  
reflect the architectural styles of the past with a modern touch given by  
the materials used and the modern finishes that fit any lifestyle.*

*Our elegant porcelain are of high quality, scratch resistant,  
their luster lasts over time and are built in harmony with nature.*

ACCIAIO

La nostra gamma in ACCIAIO INOX, aggiunta una decina di anni fa  
per rispondere al meglio alle esigenze dei nostri clienti.  
Maniglie economiche ma durature per grandi progetti.

*Our STAINLESS STEEL range, added a dozen years ago  
to better respond to the needs of our customers.  
Cheap handles but long-lasting for big projects.*

La certificazione DIN EN 1906 è una regolamentazione internazionale ed europea per maniglie e pomoli per porte su rosette o placche. La norma DIN EN 1906 stabilisce quattro categorie d'uso in base alla frequenza e alle altre condizioni di utilizzo definite come segue:

**CLASSE 1:**

Media frequenza di utilizzo, da parte delle persone che esercitano la massima cura, e con basso rischio di abuso.

Per esempio: porte in case private.

**CLASSE 2:**

Media frequenza di utilizzo, da alcune persone che esercitano la cura, e con qualche rischio di abuso.

Per esempio: porte in uffici e altri spazi di lavoro.

**CLASSE 3:**

Alta frequenza di utilizzo, da enti pubblici o persone senza alcuna cura, ad alto rischio di abuso.

Per esempio: porte nelle aree pubbliche ed edifici pubblici.

**CLASSE 4:**

Alta frequenza con la possibilità di danni accidentali o atti di vandalismo, ad alto rischio di non utilizzo appropriato.

Per esempio: porte di Stadi, caserme, o altri molto frequentati gli edifici pubblici.

Per ottenere questa certificazione, le nostre maniglie sono state sottoposte a vari test che simulano le varie sollecitazioni alle quali sono normalmente esposte nella vita di tutti i giorni. Le nostre maniglie sono state certificate dall'istituto Ift di Rosenheim.

*The certification DIN EN 1906 is an International and European standard for door handles and knobs for doors on backplates or roses. The DIN EN 1906 states four categories of use according to the frequency and other conditions of use as follows:*

**CLASS 1:**

*Medium usage frequency, by persons exercising great care, and with low risk of misuse.*

*For example: doors in private houses.*

**CLASS 2:**

*Medium usage frequency, by persons exercising some care, and with some risk of misuse.*

*For example: doors in offices and other working spaces.*

**CLASS 3:**

*High usage frequency, by public or persons with no care, high risk of misuse.*

*For example: doors in public areas and public buildings.*

**CLASS 4:**

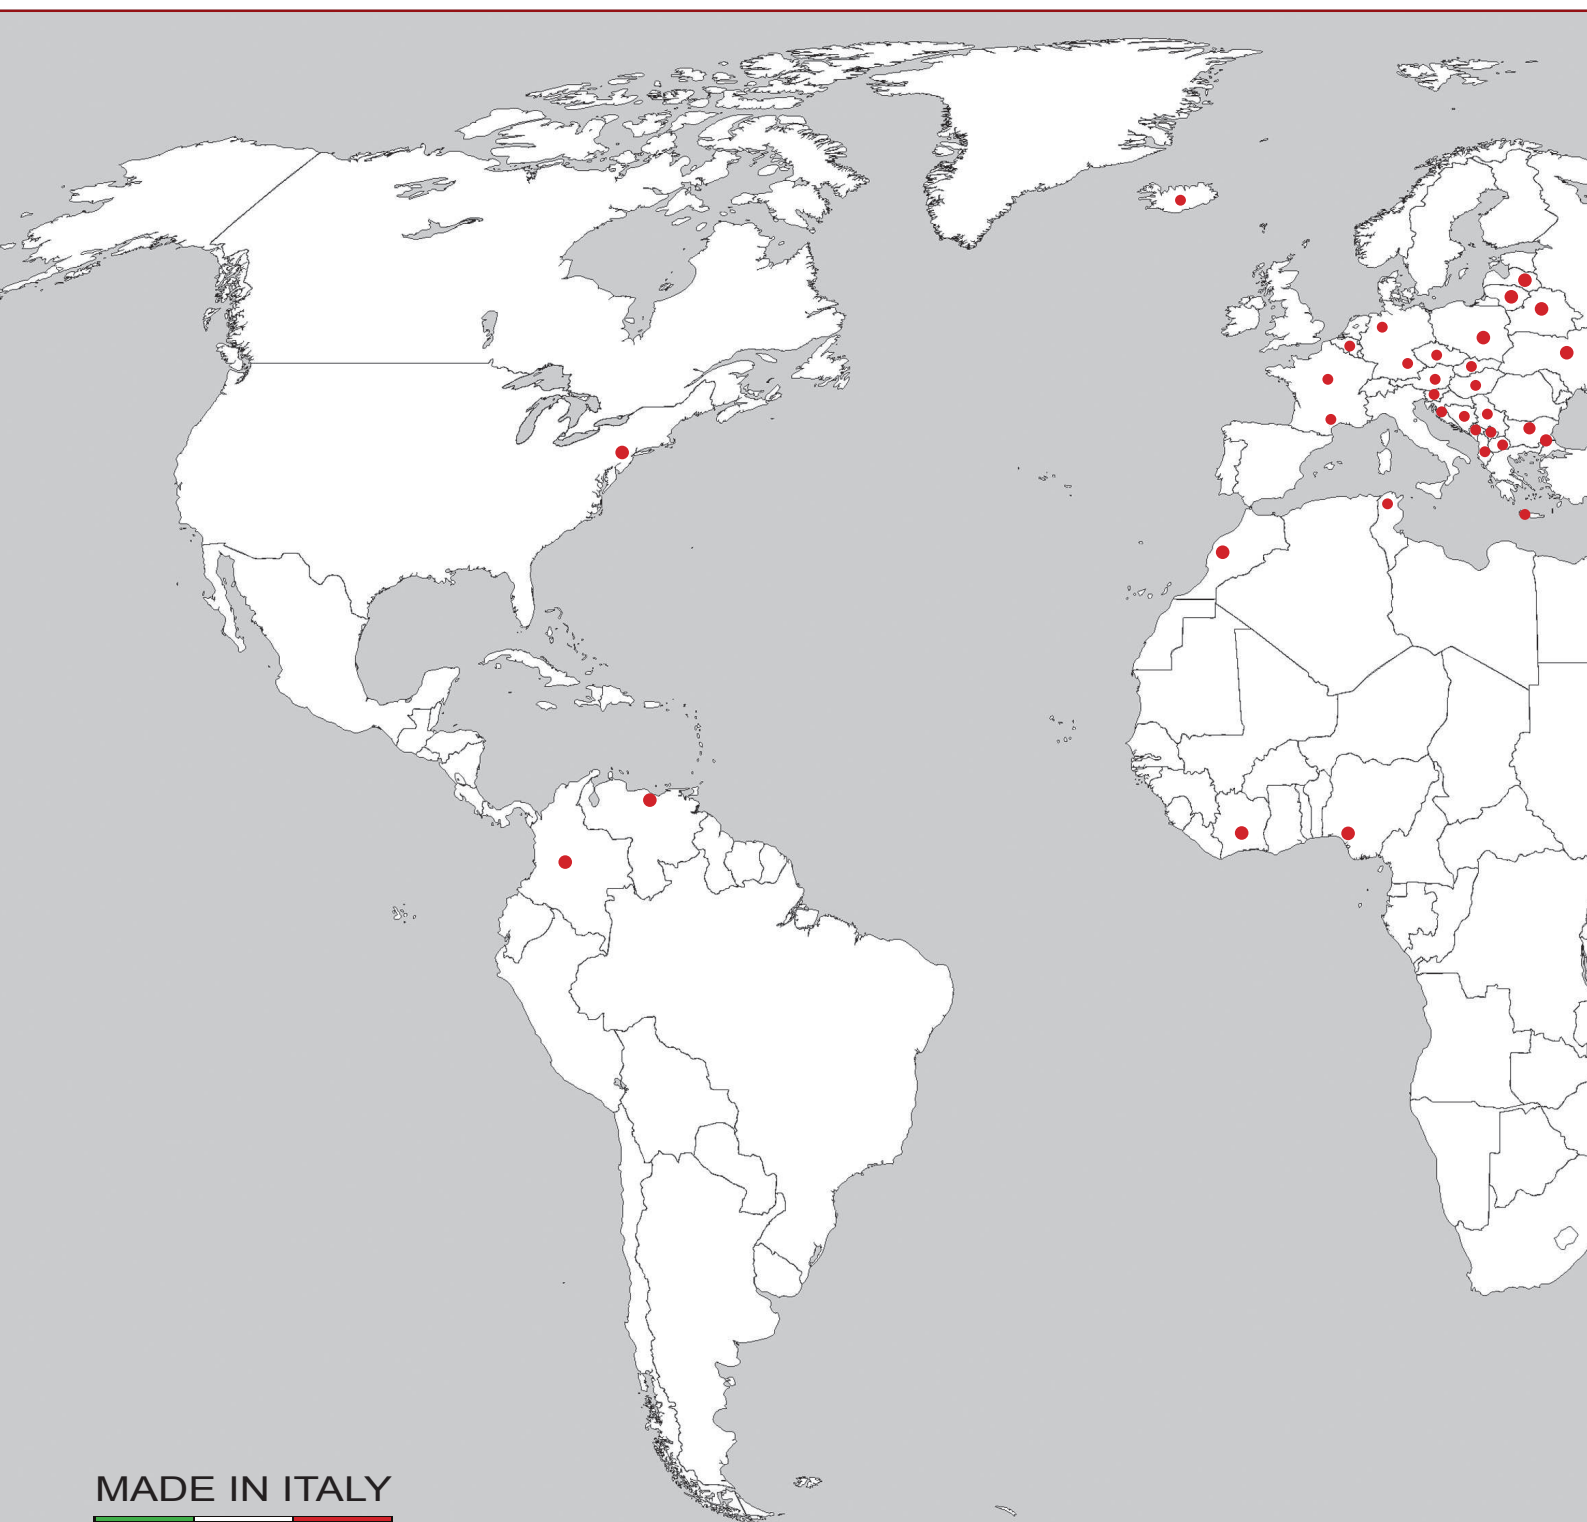

*High frequency with possibility of accidental damage or vandalism, high risk of non appropriate usage.*

*For example: doors of Stadiums, Barracks, or other highly frequented public buildings.*

*To obtain this certification, our handles have been submitted to various test simulating the different stresses to which they are normally exposed to in everyday's life. Our handles have been certified by the Ift Rosenheim Institute.*

# CONDIZIONI DI VENDITA

---

- Tutte le vendite vengono effettuate alle condizioni generali della ditta venditrice e potranno essere modificate solo con atto scritto della medesima.
- Tutte le vendite si intendono fatte "salvo approvazione della ditta".
- I prezzi si intendono franco ns. stabilimento. I prezzi sono sempre da intendersi al netto delle vigenti impostazioni fiscali.
- La merce viaggia a rischio e pericolo del committente anche se la spedizione avviene in porto franco
- Non verrà accettata merce in restituzione se non previo benestare della ditta venditrice.
- La ditta garantisce la ottima qualità dei prodotti e si impegna a sostituire solo il materiale che risultasse difettoso per carenza di costruzione.  
È però espressamente escluso il risarcimento di ogni eventuale danno.
- È nostra cura effettuare le consegne con la massima velocità consentitaci. Non vengono accettate richieste di risarcimento per ritardi di consegna.
- Qualsiasi reclamo sarà valido solamente se viene fatto per iscritto entro il termine di 8 gg. dal ricevimento della merce.  
Il reclamo s'intenderà decaduto qualora il compratore abbia consumato la merce.  
In caso di reclamo giustificato forniremo, per la merce resaci allo stato originale, della merce corrispondente all'ordine.
- Le illustrazioni e i dati tecnici riportati sui nostri cataloghi debbono essere considerati approssimativi potendo i modelli subire delle variazioni e modifiche senza obbligo di preavviso da parte della ditta.
- Per ogni controversia che si venisse a creare tra le parti sarà competente l'autorità giudiziaria di brescia.

# TERMS OF SALE

---

- All sales are made under the Seller's general terms conditions, and modifications may only be made upon written authorisation from the same.
- All sales are intended as "subject to the company's approval".
- Prices are quoted ex works and after deduction of the relevant taxes.
- All goods travel at the Buyer's risk even if despatched carriage free.
- Returned goods will only be accepted upon the Seller's approval.
- The manufacturer guarantees the quality of the products and undertakes to replace only goods found to have workmanship defects.  
Damages will not be refunded.
- We will do our utmost to make deliveries as promptly as possible. Claims for delayed deliveries will not be accepted.
- Claims will only be valid if made in writing within 8 days of receipt of the goods. Claims will not be valid if the buyer has used the goods.  
In the case of justified claims and goods returned in their original state, we will supply goods corresponding to the order.
- The drawings and technical data shown in our catalogues are to be considered as approximate since the models are subject to variation or modification at any time without prior notice.
- Any disputes between the parties will be put before the Court of Brescia.
