Dietro ciascuno dei prodotti ITALMETAL c'è un lungo processo di creazione che inizia quando il team di progettazione presenta la sua idea e termina nel momento in cui la maniglia o il pomello vengono montati nel loro ambiente finale, attraverso un servizio di assistenza al cliente puntuale e competente.

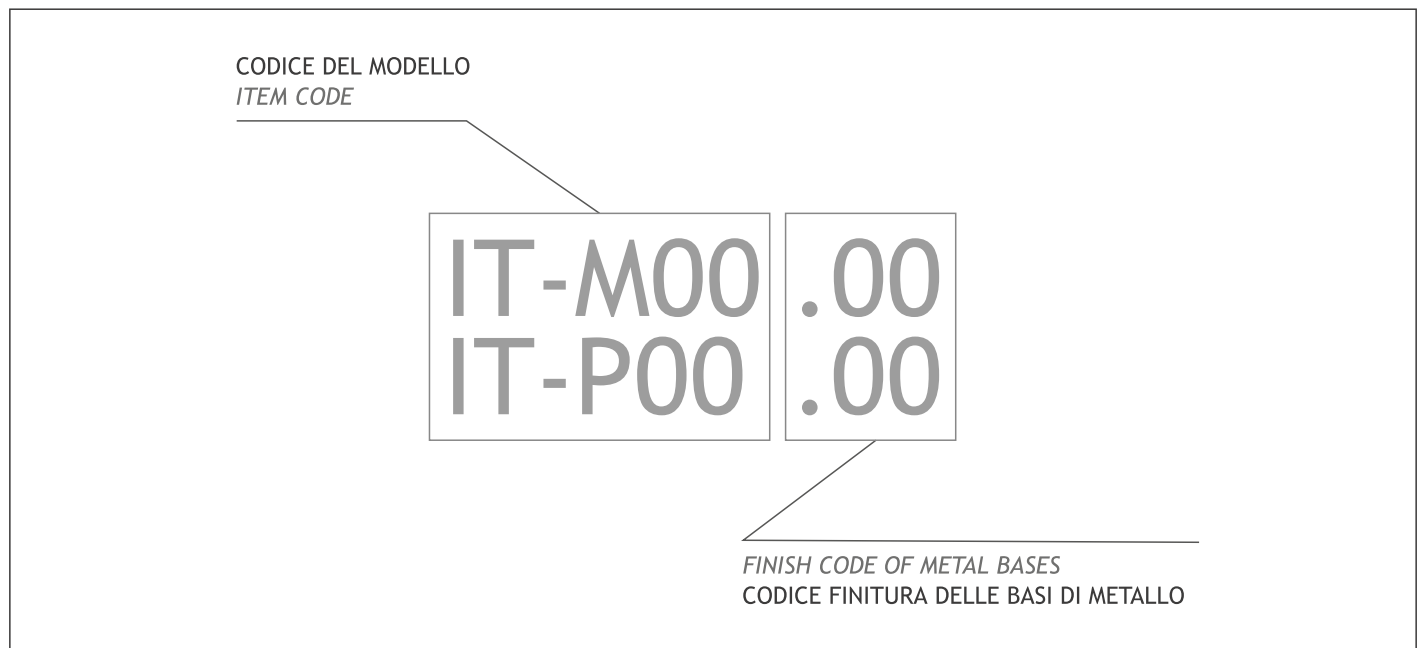

L'impiego delle più innovative tecnologie nonché la presenza di personale specializzato in grado di sopperire alle diverse problematiche che si possono riscontrare nei processi di produzione, ne fanno un'azienda leader nel proprio settore.

Il presente catalogo è di proprietà della Italmetal Srl.
E' vietata ogni riproduzione e alterazione, con qualunque mezzo,
